Anna Hall, CEO of Northeast Charter Schools Network, on why the Enroll Buffalo Charters Common Application is valuable:

ANNA HALL:

“Enroll Buffalo allows Buffalo families streamlined access to the charter school application process. By making it easier for families to consider and apply to all but one Buffalo-based charter schools, families benefit as well as the schools themselves.”

“Cullen’s funding for the program has been instrumental in its launch, which has also had the impact of bringing charter leaders together in a joint project which has created a spirit of collaboration that has had benefits beyond Enroll Buffalo itself.”
