

IN THIS MONTH'S NEWSLETTER

GREAT NEWS!

Your Summer 2025 weather forecast is here, and it looks unbeatable!

Instructions for enjoying four months of heavenly Summer weather here in Western New York:

- Savor the frequent sunshine, fair skies, and light winds
- Cool down with ideal lake, river, and creek temperatures
 - Relax in lush and green landscapes
- Use your 12-to-15 hours of daylight to the max
 - Add several performing arts events to your Summer 2025 activities list

Read on for a special selection of delightful summer experiences curated by our enthusiastic performing arts grantees.
